

CATPA COWMUNNICATOR – July 16, 2019

START TIME : 9 AM

- Kurt has agreed that our members can use their own panels with the following conditions:
 - We must back onto the fence line with the panels. This is to leave maximum area for parking for all penners. The ground is very wet and we cannot use the middle ground for paneling. Anyone who does not panel along the fence line will be asked to move their panels.
 - We agree to pay \$30 for the weekend per horse for our own paneling, the same as the stalls that are provided.
- When parking trailers, please do not make a circle, but rather park the trailers in a parallel fashion to make maximum use of the parking area. The weather has impacted the parking area.
- THE IS NOT A CONCESSION FOR THIS SHOW, SO PLAN ACCORDINGLY.
- Enter the grounds off of the service road above the parking area. Please do not drive through the yard of the ranch.
- There is also a Chinook show at Robson's the following weekend (July 27 and 28). CATPA members do not have to buy a Chinook membership to attend this show.
- The AGM will be held on Friday, August 23rd at Robson Ranch. This is the evening prior to our finals show. The agenda will be out prior to the meeting and if you have any items you would like to have added to the agenda, please forward them to info@catpa.ca
- Our banquet and awards dinner will be held on September 7th at the Mountainview Hall, east of the Didsbury overpass. More information will follow.
- If the weather is inclement, the show will be held inside at Robson's. The decision will be made on Thursday regarding this.
